INFOS

The Halal Certification Center of Chile - CHILEHALAL has inspected the slaughterhouse and certifies, that the conditions for halal production are according to N.H.L.A. (Latin American Halal Standard) of Chilehalal. This certificate does not authorize the slaughterhouse to perform the Halal ritual without an agent authorized by Chilehalal for the slaughter of animals according to the Islamic ritual. Under no circumstances can this certificate be used to justify halal production without the consent of Chilehalal. We issue each a personalized certificate per lot and per container, the dates, places, container number, seal, name and surname of the process agent. The inappropriate use of this certificate will put an end to any collaboration and will inform the various associated customers, as well as the competent authorities.
